

MICHAEL GREENBERG, CFA, CAIA

Vice President
Portfolio Manager
Franklin Templeton Multi-Asset Solutions
Fiduciary Trust Company of Canada
Toronto, Ontario, Canada

Michael Greenberg is a vice president, portfolio manager for Franklin Templeton Multi-Asset Solutions. He is a member of the FTMAS Investment Strategy & Research Committee specializing in fixed income strategy and has co-portfolio management responsibilities for all Canada-based managed programs, including Franklin Quotential and Franklin LifeSmart. He also manages institutional mandates in North America and Asia.

Mr. Greenberg joined Franklin Templeton Investments in 2006 and has 15 years of experience in the financial services industry. Prior to that, he was responsible for business development, product development and research for an alternative investment boutique Tricycle Asset Management in Toronto. He began his career at Fidelity Investments based in Toronto working with group retirement plans.

Mr. Greenberg holds a bachelor of commerce degree from the University of Ottawa. He is a Chartered Financial Analyst (CFA) charterholder and a Chartered Alternative Investment Analyst (CAIA) charterholder.
